

SARA ELTAYEB

Data Analyst / Healthcare Analytics / Business Intelligence

 Cairo, Egypt |  saraheltayeb231@gmail.com |  linkedin.com/in/sarah-eltayeb

PROFESSIONAL SUMMARY

Detail-oriented Healthcare Professional transitioning from pharmacy, healthcare management, and procurement (9+ years) to Data Analytics. Combines deep domain expertise in healthcare operations and supply chain with strong analytical skills in SQL, Power BI, Python, and Excel. MBA graduate with proven expertise in KPI reporting, procurement analytics, and process optimization. Ready to leverage analytics and strategic domain knowledge as a Healthcare Data Analyst to drive data-driven decision-making.

TECHNICAL SKILLS (DATA ANALYTICS)

Programming & Querying: SQL, Python (Pandas, NumPy, Scikit-learn, Web Scraping)

Data Visualization: Power BI, Interactive Dashboards, DAX, KPI Dashboards, Data Storytelling

Spreadsheet & ETL: Microsoft Excel, Power Query, Data Cleaning, Data Modeling

Analytics & Methods: Descriptive Statistics, Trend Analysis, KPI Analysis, Root-Cause Analysis, Machine Learning Fundamentals

DOMAIN EXPERTISE (FROM HEALTHCARE & PHARMA BACKGROUND)

Healthcare Analytics • Healthcare Supply Chain • Procurement Analytics • Inventory Analysis • KPI Reporting • Operational Risk Assessment • Strategic Management

SELECTED PROJECTS (DATA ANALYTICS)

Healthcare Supply Chain & Inventory Optimization — Python · SQL · Power BI

- Developed an end-to-end supply chain analytics model to analyze procurement lead times, inventory turnover, stock-outs, and cost metrics.
- Built dynamic Python simulation scripts to model realistic healthcare inventory transactions, daily consumption, and automated purchase orders.
- Designed an interactive Power BI dashboard featuring key performance indicators (KPIs) and supplier performance tracking to support decision-making.
- Conducted web scraping to aggregate international healthcare benchmark datasets for cross-comparative performance analysis.

WORK EXPERIENCE

Strategic Management & Green Projects Coordinator — Ministry of Health and Population

Cairo, Egypt | 2025 – Present

- Support strategic healthcare initiatives through KPI monitoring, cross-functional performance tracking, and executive reporting.
- Monitor operational performance indicators across facilities to translate complex health data into actionable reports for management decision support.

Vaccination & Cold Chain Responsible — Ministry of Health and Population

Cairo, Egypt | 2024 – 2025

- Managed cold-chain operational tracking and data records concerning vaccine stock levels, distribution, and storage compliance under WHO standards.

UPA System Officer (Unified Procurement Authority) — Ministry of Health and Population

Cairo, Egypt | 2019 – 2023

- Managed pharmaceutical supply chain and procurement data, generating stock inventory reports and monitoring vendor fulfillment workflows.
- Served as key system lead during procurement digital transformation, managing user access rights and training colleagues on system workflows.

Pharmacist — Ministry of Health and Population

Cairo, Egypt | 2017 – 2019

- Managed pharmaceutical inventory, optimized distribution workflows, and ensured quality assurance in medication management.

EDUCATION

MBA in Strategic Management — Arab Academy for Science, Technology and Maritime Transport (AASTMT)

2024 | Grade: Excellent

Bachelor of Pharmacy (B.Pharm) — Ahram Canadian University (ACU)

2017 | GPA: 3.83 (Highest Honors)

CERTIFICATIONS

- **Applied AI and Data Analytics Program** — Digilians (Egyptian Military Academy x MCIT) | *In Progress*
- **Google Data Analytics Professional Certificate** — Coursera
- **ERP Consultant** — Digital Egypt Pioneers Initiative (DEPI) | MCIT | 2024
- **Women Lead Program Graduate** — National Training Academy (NTA)
